COME AND SEE OUR WINDOW DISPLAY!

"ROGUES' GALLERY OF DRUNKS." CHICAGO, Oct. 14.—The Hyde Park Liquor Dealers' Association has started a crusade against those who over-indulge. Notices have been sent out by the secretary requesting each bartender to ask for the photograph of every drunkard from his wife or family. The pictures then are to be sent to the secretary, who is to have copies sent to every member of the association. These pictures are to be pasted on the mirror behind the bar. Two members of the association have been prosecuted by women for having sold drinks to their husbands. This caused the movement.

THREE EPOCHS IN A WOMAN'S LIFE

MRS. ELVA BARBER EDWARDS

There are three critical stages in a woman's life which leave their mark in her career. The first of these stages is womanhood, or the change from a care free girl to budding womanhood. The second is motherhood, and the third is Change of Life.

Perils surround each of these stages, and most of the misery that comes to women through ill health dates from one or another of these important crises.

Women should remember that Lydia E. Pinkham's Vegetable Compound made from native roots and herbs has carried thousands of young girls over the critical period of puberty, has prepared mothers for childbirth, and in later years carried them safely through the change of life more successfully than any other remedy in the world. Thousands of testimonials from grateful persons, two of which are here published, substantiate this fact beyond contradiction.

Mrs. George Walters of Woodlawn, Ill. writes:

"I feel it my duty to tell you of the good Lydia E. Pinkham's Vegetable Compound has done me in preparing for childbirth. After suffering and losing my children a friend advised me to try your valuable medicine, and the result was that I had very little inconvenience, a quick recovery and

as healthy a child as can be found anywhere. Lydia E. Pinkham's Vegetable Compound is a blessing to all expectant mothers.

Mrs. Elva Barber Edwards of Cathlamet, Wash., writes:

"I want to tell you how Lydia E. Pinkham's Vegetable Compound carried me through the critical period of the Change of Life without any trouble whatever, also cured me of a very severe female weakness. I cannot say enough in praise of what your medicine has done for me."

What Lydia E. Pinkham's Vegetable Compound did for Mrs. Walters and Mrs. Edwards it will do for other women in their condition. Every suffering woman in the United States is asked to accept the following invitation. It is free, will bring you health and may save your life.

Mrs. Pinkham's Invitation to Women.

Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham, at Lynn, Mass. From the symptoms given, the trouble may be located and the quickest and surest way of recovery advised. Out of her vast volume of experience in treating female ills Mrs. Pinkham probably has the very knowledge that will help your case. Her advice is free and helpful.

During its long record of more than thirty years its long list of actual cures, entitles Lydia E. Pinkham's Vegetable Compound to the respect and confidence of every fair minded person.
